Some Considerations

- Please understand that if you log in prior to next week you will be looking at Semester 1 courses. New Semester 2 courses will appear next week.
- Please be patient with our staff. We are still learning too. If something that you need to be on Canvas isn't there feel free to make courteous contact with that teacher.
- Please be aware that the appearance and functionality of the parent portal will continue to develop (with particular reference to those with multiple students).

The Markbook continued

- Please understand that what you view for the remainder of this week will be Semester 1 information. Semester 2 starts next week.
- We are currently considering how best to move from a Semester 1 Markbook to a Semester 2 Markbook in Canvas.
- This will be a focus for our Staff Day on Day 1 next term, so Semester 2 Markbook details should be correct after this date.
- Thank you for your patience and understanding.

Some Further Considerations

- Canvas is designed to function as an internal system at Cedar College. Students can only message other students within their courses, and parents and caregivers can only message teachers, and their students. It is safe and secure.
- Please maintain the privacy of what you see on Canvas by not posting material elsewhere. What you see on Canvas needs to stay on Canvas.
- If you have a complaint or concern, Canvas is not the place to voice this.

Some Further Considerations

- Teacher Contact through Canvas. If you message a Teacher through the Inbox you can expect a response within 24 hours (not the evening the message was sent).
- The most reliable and immediate method of contact remains a phone call through the High School Office.

The Digital Pledge

- The following outlines the expectations that we have of students as they use Canvas. As parents and caregivers, we think it is important that you understand this, and model this behavior for students.

The Digital Pledge

- I will not spam others.
- I will try to use correct grammar and spelling, and will write emails using the correct etiquette.
- I understand that using ALL CAPITALS is considered yelling and may offend others.
- I will check with my teacher whenever I have questions about any of the rules.
