# BE A PART OF HISTORY

## CELEBRATING 20 YEARS OF CEDAR COLLEGE

As part of our 20th Anniversary Celebration Week (Term 3, Week 9), we are planning to open a new paved and seating area, on the land where Cedar College began - the Primary School lawns.

It is the families of Cedar College that have made our school what it is today, and we want to honour and preserve **the names of our school families** on this special occasion.

### How **your** family can be a part of Cedar's History

As part of the new paved area, families or individuals can **sponsor an engraved paver for \$30** (which covers the cost of making, engraving and laying the paver). This paver can feature family names in a choice of three configurations (see over page for details) and will become a **permanent reminder of the part that your family has played in Cedar's history.**

If you'd like to be a part of this one-off special event, you can use the other side of this page to place an order. **Families have until Week 8 of Term 2 (Monday June 20) to order their paver(s).** Payment can be enclosed with the form, or you can use the Qkr! App to send payment (please return the completed form indicating that you have paid via Qkr!), or we can take your credit card payment over the phone.

**Thank you to all of our Cedar College families for being an important part of our history,** we hope that you take this special opportunity to become a lasting part of our future.
