Other Items available via Qkr!

As well as lunch orders, Cedar College uses the Qkr! App to accept payments for a range of other items, including some Uniform Shop items. This allows parents/caregivers to purchase items or pay for sports events from their smartphone or computer.

The items available may change depending on the time of year, and MENUS displayed may change according to special events and payments available during the year.

The **MENU** screen of the Qkr! App will display other departments below the **CANTEEN**, such as **UNIFORM SHOP** and **SCHOOL PAYMENTS**.

Tap the **“SCHOOL PAYMENTS”** menu to view other items that are available through the Qkr! App.

Items that are available and their prices will be automatically updated when the menu loads.

1 To purchase any of the items, or make a Sports Event Payment, first **select the STUDENT** the item is for, at the top of the screen. Note that for Uniform Shop items, you **must** also select a collection method.

2 Depending on the item, you may be presented with a number of options, such as size/colour etc.

3 Confirm any options and then tap **Add To Cart** and follow the same checkout process shown under the **“Pay and Send Order”** section of this brochure.
