Here's what's included in your tuition fees:

2025 FEE SCHEDULE - Figures shown are one full year payment. Capital Levy and/or book bond may apply.

Student / Sibling	Primary School (R-6)	Middle School (7-9)	Senior School (10-12)	4% Discount for early payment
	ANNUAL TUITION FEE	ANNUAL TUITION FEE	ANNUAL TUITION FEE	
First Child [†]	6,060	6,670	7,400*	If a family pays the full year's fees by the due date for Term 1 fees (February 7, 2025) an early payment discount of 4% applies to tuition fees and capital levy only. All other ancillary charges are not eligible for the discount. Fees shown on this page apply to the 2025 School Year and are subject to change for the 2026 School Year.

Third Child	3,636	4,002	4,440*	
Fourth Child	Free	Free	Free*	

While all school camp fees are included in the tuition fees, some activities (such as Inter-school sports events, private instrumental lessons, personal items for the Year 10 Bushwalking Camp and certain Senior School VET subjects) will have an associated cost not covered by tuition fees.

[#]Laptops remain the property of the School and are provided on loan to all students in Years 7-12 for the duration of their schooling at Cedar College.

Capital Levy and Senior School Book Bond

Due to the Capital Levy being charged per family and Senior School Book Bond being refundable, these will continue to be shown as separate items.

2025 Capital Levy* (per family)

Annual: \$400

A capital levy is charged on a **per-family basis** in addition to the Fee Schedule shown above. This levy is not tax deductible.

2025 Book Bond* (per Senior School student)

Once off: \$200

A book bond, for all students in Years 10-12, will be charged when the student begins Senior School. Please note that this is refundable, provided books and laptop are returned in good condition when the child leaves the school, or at the end of Year 12.

When do School Card rates apply?

When a family has been assessed as eligible "Independent School" School Card holders for 2025 by the Department for Education and Child Development (DECD), reduced tuition fees apply. **A separate fee schedule information page outlining the reduced fee structure is available from the Front Office for families who qualify for School Card, along with the application forms.**

Fee Payment Options

DISCOVER JESUS DISPLAY LOVE DEVELOP SELF

Cedar College bills the school fees for its students on an annual basis. To help families manage their budgets we have a number of options for payment of the school fees, with all fees due to be **finalised by the last Friday in November** of that billing year.

Families are required to discuss their preferred payment option with the Finance Department by the Friday of Get Ready Day, in January.

This may be by phone (8261 3377), email (admin@cedarcollege.sa.edu.au), or in person.

While all of the tuition fees and levies will appear on your first statement of the year, other incidental or requested charges may be included on subsequent statements, e.g. Instrument Hire charges or Senior School blazer.

With 4% discount

Option 1: Annual payment in full, by February 7, 2025, with 4% discount

This option will include a **4% settlement discount on tuition fees and capital levy only**. All other ancillary charges are not eligible for the discount. *Payment may be made via direct deposit, cash, cheque, or Visa/MasterCard credit cards only – AMEX and Diners are not accepted*

2nd Friday of each term

Option 2: Four equal payments, due by the second Friday of each term

These can be paid via the payment methods listed above, but will not attract a settlement discount.

These payments may also be set up as a direct debit from your nominated bank account or credit card.

Regular direct debit

Option 3: Direct debit instalments as calculated or confirmed by the Finance Office

This can be on a weekly, fortnightly or monthly basis, to be finalised by the last Friday in November of the billed year. These instalments can be deducted from either your nominated bank account or credit card.

Further details about our FACTS online instalment payment facility are available from the Finance Office.

Outstanding Fees:

Overdue School Fees can have an impact on the school's ability to meet its financial obligations. It is very important that any families that are experiencing difficulty in meeting their payment obligations contact the Business Manager to discuss alternative payment options as soon as possible.

Cedar College reserves the right, at its discretion, to:

- Charge a late payment fee where an account is in default;
- Commence legal action for the recovery of fees not paid, including placement of a charge over property to secure the debt. All legal costs will be payable by the parents/caregivers.
- Refuse re-enrolment if fees are overdue.
