

Welcome to Year Five

In this stationery pack you will find your child's stationery and books. Thank you for taking the time to cover your child's books and name stationery items (you don't have to name every pencil if you don't wish to). The books can be covered with any coloured or patterned contact or plastic covers. We highly recommend book covers available from www.ezcovers.com/au for quality and your sanity. 15c from each cover purchased is donated back to Cedar College if you select our school at the checkout and use the code 'EZ15'.

Please **provide a pencil case** for your child, as the tartan pencil case received will be used for your child's diary, notes and homework. Ensure the pencil case is not so thick that it will not fit into a tray properly. Students will receive a new red pen, blue pen, glue stick, eraser and coloured pencils at the start of Term 3. Students will also be provided with further exercise books as needed during the year.

Students are responsible for their own books and stationery and will be required to pay for any items that are lost or damaged.

I am looking forward to an exciting year together.

Kind Regards
 Jeremy Wilson
