CANTEEN ORDERING INFORMATION

Students can order their lunches from the Canteen on Mondays, Wednesdays & Fridays

(Some exceptions may apply, such as during the first and last weeks of Term)

Lunch ordering procedure using the Qkr! App

Lunch orders may be placed directly from your iOS or Android smartphone, using the **Qkr! App, by MasterCard**. Simply search for and download the Qkr! App onto your smart phone, follow the steps to register, locate Cedar College and then add your children. You can then select items from the canteen menu, place your order and **pay via VISA or Mastercard (credit or debit cards)**. Orders must be made **before 9am** on the day lunch is required, and can be submitted up to 2 weeks in advance.

When ordering with the Qkr! App, there is **no need to bring cash to school for lunch** and **no need to provide paper bags** or other details. The Qkr! App notifies the Canteen of your child's name, class and food order, and the Canteen will supply the lunch order to your child in a paper bag with a sticker showing their name and order details. It couldn't be simpler - see the steps below for details.

Step 1 Download Qkr!

on your Android phone or iPhone. iPad users can download iPhone app

Step 2 Register

Select your Country of Residence as 'Australia' and follow the steps to register

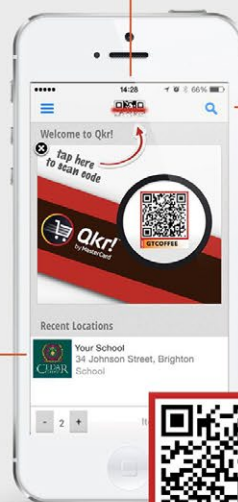

Step 3 Find our school

Scan the QR code or search for our school name. Our school will also appear in "Locations Nearby" if you are within 4kms of the school

Step 4 Register your children

When first accessing your school menu, you will be prompted to register your child. This allows you to make school orders on their behalf.

Scan QR code provided by your school

Or search for our school name

If within 4kms of the school, you can select from "Locations Nearby"

Now you're ready to order and pay for meals and other items...

Substitution is sometimes necessary

While every effort is made to supply what exactly you order for your child, on occasions we may need to make a substitution.

Lunch orders will be substituted when: We do not have sufficient stock; an order is placed too late; or there is insufficient money in the lunch bag. When this happens, the Canteen will speak to the student and negotiate the alternative item with them.
