Christian Ethos

Cedar College was formed specifically for the education of students in a distinctly Christian environment, where Christian beliefs in the home are supported at school.

It is our intention to provide an environment where all students will be actively encouraged to consider the Christian faith irrespective of their religious background. Students will participate in chapel services, class devotions, prayer and worship times, Christian Living studies, and any other activities where the Christian faith is practised and discussed.

Cedar College welcomes enrolment applications irrespective of religious background. However, as a distinctly Christian school, Cedar College does not provide an environment where other faiths, doctrines, and religions may be overtly practiced. Therefore, it is expected that all student behaviours, actions and practices must be respectful of this Christian environment and not undermine or be inconsistent with the school's Christian distinctives and beliefs.

Importantly, Cedar College fosters open and constructive discussion about the Christian faith, as well as other religions and doctrines. It is expected that students, parents/caregivers and other people in our school community be respectful of views other than their own.

Enrolment Requirements

All prospective parents/caregivers will be required to:

1. Accept that all children will be presented with the Gospel message of Jesus Christ.
2. Accept that devotional times are incorporated into the daily routine and are compulsory for all students.
3. Accept the School's Christian ethos and distinctly Christian environment.
4. Support the Aims of the School as outlined in our Prospectus and "A Christian School" booklet.
5. Support the School Policies and Statements on uniforms, student conduct, discipline and curriculum.
6. Accept the parents/caregivers Code of Conduct and endeavour to be a supportive part of the school community.
