English, Mathematics, Science, Humanities, Health & Physical Education and Christian Living are core subjects in the Middle School.

A range of specialist subjects, including Music & Drama, LOTE, Home Economics, Visual Art, Information Technology, Design & Technology, and Health & Wellbeing are also introduced during Middle School.

Building healthy habits and character

Designed to meet the changing needs of the teenage student, the Middle School strives to ensure learning is relevant, meaningful and enjoyable. This style of learning seeks to prepare Year 7 to 9 students for their important Senior School years.

- > Innovative implementation of the Australian Curriculum
- > Academic focused problem solving
- > Gifted and Talented extension program
- > Pastoral guidance
- > Communication skills
- > Knowledge of God as Creator
- > Community Service

The Middle School is structured to include daily Home Group time, which enables students and teachers to interact in a personal and caring environment. Pastoral-care time allows teachers to address issues that are important to the lives of young people in a genuine and biblical way.
