

# UNIFORM POLICY

## PRIMARY SCHOOL AND HIGH SCHOOL

UPDATED MAY 2020

# Cedar College Uniform Policy

**The Cedar College School Board has set a Uniform Policy in place and parents, teachers and students are responsible for seeing that this policy is adhered to.**

All school uniform is to be purchased from our Uniform Shop. Please see the Uniform Shop Manager for full details and a price list is available from the Front Office or via our website. Continual monitoring of the school uniform will occur as part of the daily school routine.

**A Uniform Infringement / Reminder Notice** will be given to all students whose uniform does not meet the standards set out in this policy, and will be sent home in the students diary to be signed by the parent.

In extreme cases of inappropriate dress, a parent may be called and asked to either pick the student up or bring a change of clothing, which meets the Uniform Code Requirement of the school. In some cases, the School Office may issue something to be worn. Should the violation be so offensive, the student may be required to wait in the School Office during this time and school work missed must be made up, but not necessarily for full credit.

The Student Uniform Policy remains in force while a student is on school grounds during the school day, on an excursion, participating in student outings or athletic activities, and to and from school.

**Should a Uniform Infringement take place**, a consequence may also be issued, depending on the infringement and student's year level. Should the infringement continue, the parent/caregiver will be called to discuss the situation. If a suitable outcome is not agreed on, the student will not be able to attend Cedar College until their uniform or personal appearance falls within the Uniform Policy guidelines.

**Mr Peter Thomson**  
Cedar College Principal

---

**Please note:** The Principal and Heads of Schools reserve the right to determine whether the uniform code is being met.

This Uniform Policy will be updated from time to time as necessary. Please visit our website for the latest version.
